To,

CMD

NEW DELHI - 110 070

Sub: Resolution on EPS-1995 by CEC

Sir,

Employees' Pension Scheme (EPS) is a pension scheme which is being regulated by EPFO. Recent judgments of Hon'ble High Courts and Hon'ble Supreme Court have allowed deduction on actual salary rather than limit of Rs.15000/- p.m.

ASTO-CWC had formed a committee for framing our suggestions in this regard. The committee had submitted its report to management and was discussed and deliberated in detail in 2nd CEC meeting held at Mumbai on 26th and 27th April 2019. ASTO-CEC unanimously resolved to provide an option to all the employee of ONGC to contribute on the basis of actual salary to EPS 1995 fund. The resolution of CEC is enclosed for your perusal.

Sir, we request that this be made optional for employees who may like to contribute on actual salary to EPS 1995.

With warm Regards

(Amit Kumar)
President CWC

CENTRAL WORKING COMMITTEE

-RESOLUTION-

EPF Pension which is technically known as Employees' Pension Scheme (EPS), is a social security scheme provided by the Employees' Provident Fund Organisation (EPFO). The scheme makes provisions for employees working in the organized sector for a pension after their retirement at the age of 58 years.

On this important matter, ASTO CWC 2018-20 had formed a committee. The Committee had carried out the detailed study and also included the inputs from recent judgments in various court cases. Subsequently, a presentation on EPS 1995 scheme was made to ASTO CEC 2018-20 in its 2nd meeting held at Mumbai on 26th- 27th April 2019 and detailed deliberations were held on the subject.

On the basis of detailed analysis provided in the presentation, CEC unanimously resolved as follows:

1. Provide an option to all the employees of ONGC to contribute on the basis of actual salary to EPS 1995 fund.
2. This shall be totally optional and onus and responsibility of fund management as well as pension support shall lie with the employee who opts for the scheme.
