Sub: Resolution on HSE issues

Sir,

ASTO vide its letter no. ASTO/CWC/HSE/2018-20 dated 26.12.2018 had submitted its suggestions on safe operations and other HSE related issues in the form of a report. It is considered to be one of the most important reports submitted by ASTO.

The report was discussed and deliberated in the 2nd CEC meeting held at Mumbai on 26th & 27th April 2019. Also deliberations related to HSE in the 1st bilateral meeting with management held on 5th February, 2019 were also shared with the house.

Members raised the concern regarding increase in fatal accident in the last two years as well as increase in injury cases. ASTO CEC passed a resolution that HSE report submitted by ASTO be discussed and early implementation of the suggestions be considered. ASTO also resolved that reporting of safety officers be done as per the approval of EC i.e. to respective Head HSEs.

The resolution is enclosed for your perusal. ASTO requests that discussion and implementation on the suggestions may please be taken up on priority.

With warm Regards

3/5/2019

CENTRAL WORKING COMMITTEE -RESOLUTION-

Health, Safety and Environment (HSE) is one of the most important aspect of all the industries. Specially, in E & P Industry, being dealing with Hydrocarbons, the topic is of utmost importance. Considering this fact in mind, the ASTO CWC 2018-20 had made a Committee for studying the current scenario of HSE status, nos. of non compliances and accidents / near misses in our esteemed organisation.

The Committee formed had studied and prepared the report for further submission. The Committee had provided certain suggestions recommendations. During the 2nd Meeting of ASTO CEC held at Mumbai on 26-27 April 2019, the Committee had also made a presentation for the information of August House. The report was deliberated in detail during the presentation wherein the house appreciated the work carried out by the Committee and unanimously resolves that:

1. The management should make a reasonable forum for studying the report submitted by the ASTO CWC- 2018-20 and then discuss the way forward on the outcome of the study within 30 days.
2. Subsequently, an early implementation to be considered by the Management for Compliance.
3. ASTO CEC also resolves that reporting of safety officers at Installations / rigs / vessels etc. should be in accordance to EC decision i.e. to respective Head HSE.
