Sub: Adhoc Payment towards PRP for the year 2021-22

Respected Sir,

In spite of all the challenges due the pandemic Covid-19, all Ongcians have risen to the occasion and performed the duties under extra-ordinary challenging situations and have displayed exemplary courage to keep ONGC flag flying high and ensuring uninterrupted field operations by remaining unfazed against several hardships. As part of essential services, Ongcians have ensured that Oil & Gas continues to flow uninterrupted despite the pandemic and lock downs, especially our employees working in field operations in round the clock shifts, on/off shifts and general shifts during the first half of FY 21-22. This was possible because of high degree of dedication of our field personnel and continuing support of Management.

Sir, ONGC's performance during the year FY21-22 has been exemplary and we maintained RRR of more than 1, drilled nearly 484 wells, produced around 40.5 MMToe of Oil and Gas and recorded a profit of nearly Rs. 40300 crores.

Sir, ASTO requests you to kindly consider our request and make payment of Adhoc PRP for the year 2021-22 of at least three basics to all employees and at least 20% extra to those who have worked in field operations in round the clock shifts, on/off and general shifts. The same may please be released in September 2022, during this festive season, so that it is celebrated with more fervour and splendour.

With highest regards.

Sanjay Varshney
