Sub: Interest Free Advance to Employees residing in Odisha

Sir,

We would like to bring to your kind notice the devastating impact that cyclone Fani has had in the state of Odisha. Putting everything back on track is the hardest thing after any natural calamity, and the recent cyclone in Odisha has been no different. Six days after cyclone Fani battered Odisha, normal life in the state is still crippled with no electricity during most hours of the day, little water and barely any connectivity.

Lot of houses have been damaged including personal effects, vehicles etc. of people residing in Odisha. Sir, number of our employees have been residing in Odisha and have borne the brunt of the cyclone Fani. They would immediately need funds to bring back their life to normalcy.

It is therefore requested that interest free advance of six months may please be provided to such employees who are residing in Odisha/maintaining their families in Odisha. ONGC has been providing such advances whenever such natural calamities have happened in our country to such employees.

With warm Regards

(Amit Kumar)
