Sub: Payment of Field Allowances to officers working in field Operations

Sir,

We would like to bring to your notice non-payment of compensation to officers working in the field operations. We would like to bring to your notice our letter no. ASTO/CWC/Field Allowances/2018-20 dated 27th June 2019 vide which we had brought to your notice all the documents that ASTO had submitted so far.

Sir, we have also provided details of payment being made by other companies, legal opinion on the implementation of provisions of Mines Act etc. We are given to understand that legal opinion sought by ONGC also confirms validity of Mines Act and compensation as per the provisions of the Act.

We had also brought out in the letter referred above, that a Joint Working Group of ASTO and Management has been constituted by Chief ER for working out various options for field allowances. The outcome of same has remained inconclusive so far. We would therefore request that all the issues brought out by us as well as other inputs can be deliberated in the Joint Working Group. We therefore request you to advise the concerned department to convene meeting of Joint Working Group immediately so that the report can be submitted on top most priority.

With warm Regards
