Sir,

ASTO vide its letter no. ASTO/CWC/HSE/2018-20 dated 26.12.2018 had submitted its suggestions on safe operations and other HSE related issues in the form of a report. It is considered to be one of the most important reports submitted by ASTO.

The report was discussed and deliberated in the 2nd CEC meeting held at Mumbai on 26th & 27th April 2019. Also deliberations related to HSE in the 1st bilateral meeting with management held on 5th February, 2019 were also shared with the house. ASTO CEC passed a resolution that HSE report submitted by ASTO be discussed and early implementation of the suggestions be considered. ASTO also resolved that reporting of safety officers be done as per the approval of EC i.e. to respective Head HSEs.

Resolution by CEC on HSE and way forward was submitted to your office vide our letter dated 3rd May 2019. Till date we have not received any feedback on our Report.

We again request you to kindly convene a meeting on report submitted by ASTO on HSE issues at the earliest so that road map on our suggestions may be prepared for implementation.

With warm Regards

(Amit Kumar)
