### **Sub: Contribution by ONGC for rescue and rebuild efforts in ongoing Kerala Floods**

Sir,

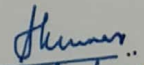

We would like to bring to your kind attention the grave situation that has been created by unprecedented floods in state of Kerala.

The impact of floods has been very devastating resulting in massive loss of infrastructure, lakhs of people have become homeless and there have been nearly 197 deaths so far, since 9<sup>th</sup> August 2018. Train lines and roads have been damaged leading to cutting off number of areas of the state. Number of our ex-employees has also been affected.

Sir, in such trying times, ONGC has always led from the front and Ongcians have always come forward to help rescue and rebuilding efforts by making financial contribution as well as helping physically in rescue and relief operations.

We therefore request you to kindly approve financial aid for state of Kerala and also facilitate employees for voluntary contribution of one day's salary by them from this month's salary, as has been done in past. It is also requested that we may also adopt some villages for carrying out relief and rebuilding efforts.

With warm regards
